The Millionaires' Club in the Upper House of the National Congress, has been dwindling slowly for sometime, and it will dwindle some more when Senator Bullitt relieves Senator Camden at Washington March 4th.

It will be interesting to watch the many thousand Kentucky laborers who are out of a job rushing to the polls early on the morning of November 3rd to register their endorsement of the Administration at Washington.

The Democrats promised to enlarge the foreign markets for our products, but we sold foreigners during the first ten months of their tariff law \$151,-000,000 less than we did under a similar period of the Payne law which they denounced,

The Democratic text book for 1914 under the caption of "Let the Republicans Answer," asked "What is your program, if returned to power?" That's easy. We would start a few billions of now idle capital, to coursing through the channels of trade; we would start several thousand idle factories to operating on full time; we would put two and a half million idle laborers to work on full time at good wages; we would put ten million hungry people on full rations and make everybody happy. At least, that is what we were doing before you came into power.

A WARLESS "WAR TAX."

Mr. Longworth hit the nail on the head. Levying a war tax when there is no war is a four card draw, an absolute blind,-Commercial Tribune.

"COME OUT YE LUBBER AND GET LICKED?"

Whether or not credence is to be attached to the report of a fleet of warships steaming along the dish coast to the entrance to the Baltic from the h Sea and the assumption that it is a British edition, there is every reason to expect some nge in the British naval program and greater ivity in place of watchful waiting for the Gerin fleet to come out and get smashed .- Philadeliia Bulletin.

VOMEN STAND THE BRUNT OF WAR.

It is not only the women of the Red Cross Assoiation who are proving themselves to be relieving actors on the line of battle, but the women who are left at home are also taking up the work of men. Women of France have taken the places of brothers, fathers and husbands in the vineyards and the wheat fields. Women of Paris have taken men's places in the stores, on the street cars and even doing police service. Women in Germany have stepped in where the men have stepped out, and the business of Berlin proceeds as it did before the outbreak of the war.-Memphis Commercial Appeal.

DON'T WANT THE EATS CUT OFF.

The movement to call off all banquets in this country while the war rages in Europe is not well founded. We can afford to rejoice over the blessings of peace and festivity might help to dispel some of the gloom that the horrors of the conflict spreads. But if the plan were put on the basis of economy and the prevention of needless expenditures during a severe financial period, it would be a wholly different matter.-Philadelphia Bul-

BURDEN WHERE IT BELONGS.

When a man abuses his wife or family so as to incur a legal penalty he is usually locked up in jail. That is none too bad for him, but it is more than a dependent wife and children deserve. He can not earn anything for their support in jail, consequently they suffer probably more than if he had not been molested in his abuses by the law.

Wisconsin has visualized its recognition of this inequality by the enactment of a law that compels such a man to work for the support of his family nervous I could not sleep, then I would instead of lying idle in prison. THE DOCTOR'S STORY.

Secretary Harry S. Smith, of the Board of Park Commissioners, knows a lot about doctors.

Harry says that at 3 o'clock one morning a doctor was awakened from a comfortable bed to answer an urgent call at the bedside of a patient, twelve miles distant. The weather was bitter cold and the physician was almost frozen when he reached the sick man.

He was surprised to find the sufferer up and dressed

The patient extended his arm. "Show me your tongue."

- He opened his mouth and stuck out his tongue. "Have you a lawyer?"
- The patient paled. "Oh, doctor," he whimpered. "You don't think that I should make my will?"
- "Send for your lawyer. Have you a minister?"
- "Y-y-es, do you think I need him too, doctor?"
- "Send for him. Have you an undertaker?" The patient was visibly frembling. "Oh, doctor," he

But it stands to reason that since there is a difference in tobaccos, you may be missing still greater pleasure in a still better smoke —in the BEST smoke, in fact.

Tuxedo is the best smoke because no better tobacco leaf grows, and no process of treating tobacco leaf equals the original "Tuxedo Process."

We know that Tuxedo is made of the BEST tobacco-rich, mellow, perfectly aged Kentucky Burley. None better can be bought, because none better is grown.

WOMAN SUFFRAGE **ASS'N CONVENTION**

46TH ANNUAL MEETING OF NA-TIONAL AMERICAN WOMAN SUFFRAGE ASSOCIATION.

Members From All Parts of United States Will Be in Nashville, Tenn., on November 10 and 11-Many Prominent Women Leaders Will Be in Attendance.

Suffragists from all parts of the United States will arrive in Nashville Tennessee, on November 10 and 11, for the Forty-sixth Annual Convention of the National American Woman Suffrage Association, and the delegates will represent over sixty branches of the association which have been organized in forty-three states. There will be women prominent socially, in the professions and in all kinds of re form work. Some of the delegates wil come from equal suffrage states, and they will tell the result of votes for women from personal experience. Among them will be Jane Addams, o Hull House, who is now an Illinois vo ter; Mrs. Mary C. C. Bradford, Super intendent of Public Instruction of Col orado; Miss Helen Eaker, of Kansas; Mrs. Frances Munds, of Arizona, and Mrs. Catherine Waugh McCullough, o Chicago, well-known as a lawyer and justice of the peace. The most inter esting women voters, because they wil be brand new ones, will come from states where suffrage amendments are to be voted on November 3d. These states are Montana, Nevada, North and South Dakota, Nebraska, Missouri and Ohio. Miss Anne Martin, President o the Nevada Equal Franchise Associa tion, writes that she can not miss the National Convention, but, on the other hand, how can she leave Nevada unti all the returns are in, and it usually takes a week to know results there

Dr. Anna Howard Shaw, President National American Woman Suffrage Association.

Other delegates, who are leading their state campaigns this year, will be Mrs. Harriet Taylor Upton, of Ohio; Mrs. Draper Smith, of Nebraska; Miss Jeannette Rankin, of Montana; Mrs. Clara L. Parrow, of North Dakota; Mrs. Walter McNab Miller, of Missouri, and Mrs. John Pyle, of South Dakota.

Mrs. John Pyle, of South Dakota.

Of course, Dr. Anna Howa'd Shaw, President of the National Suffrage Association, who is the orator of the Cause and universally goved because of her wise enthusiasm, her sympathy and her great sense of humor, will be there, and Mrs. Carrie Chapman Catt, President of the International Woman Suffrage Alliance, and also Chairman of the Empire State Campaign Committee, whom every convention proves the greatest statesman of the suffrage movement, for she is eloquent and at the same time just, logical and far-seeing. trask will be to formulate judgment on those great issues of the day which nearly concern women; to choose leaders who, during the coming year who are to guide the fortunes of our cause; and, finally, to deliberate how the whole National body may, on the one hand, best give aid and succor to the states working for their own enfranchisement, and, on the other, press for federal action in behalf of the women of the nation at large." The call is signed by the National officers: Dr. Anna Howard Shaw, Moylan, Pa.; Miss Jane Addams, Chicago; Mrs. Desha Breckin-ridge, Lexington, Ky.; Miss Caroline Ruutz-Rees, Greenwich, Conn.; Mrs. Sugan W. FitzGerald, Jamaica Plains, Mass.; Joseph Tilton Bowen, Chicago.

The daytime sessions of the convention will be devoted to business and the evenings to public meetings. The National officers have urged all the members of the Executive Council to meet in Nashrville on the morning of November 11 and devote the entire day to a conference on the problems of the National Association, so that constructive plans can be suggested to the convention, and no time will be spent in futile discussion. The first regular session of the convention will be spent in futile discussion. The first regular session of the convention will be on November 12th. The first regular session of the convention will be on November 12th. It is expected that the most interesting discussion will follow the report of Mrs. Medill McCormick, of Chicago. Chairman of the Congressional Committee of the National Suffrage Association, as delegates from all over the country will express their views on the relation between State and National work and on the campaigns for the Bristow and Shafroth amendments to the Constitution of the United States. One session will be devoted to a lively conference on methods for organizing and campaigning, in which it is expected that all delegates will take part. The National Treasurer, Mrs. Stanley McCormick, will present the budget for the coming year. Sunday evening the officers of the National Association will give a reception to delegates and friends. On Monday evening the great new moving picture sufrage play, "Your Girl and Mine," will be presented. This play comes out under the joint auspices of Mrs. Medill McCormick and Mr. William N. Selig, who, besides being one of the largest producers in the moving picture world, is said to be a convinced suffragist as well. Mrs. McCormick and Mr. Selig have financed the production, the proceeds of which will go

to the National Suffrage Association. The principal roles are taken by Miss Olive Wyndham, Miss Katherine Kaelred, leading lady in "Joseph and His Brethren;" Sydney Booth, of "The Yellow Ticket" company, nephew of Edwin Booth, and Dr. Anna Howard Shaw.

Nashville is said to be so enthusiastic over entertaining the convention that it will grudge the time necessarily devoted to business sessions. Nashville women are arranging a parade, also an old-fashioned barbecue at Andrew Jackson's old home, "The Hermitage," called the Mount Vernon of the South. There will, of course, be many informal dinners and luncheons during the convention, and an afternoon tea at one of the beautiful country clubs. On one evening the suffragists in charge of the press work throughout the country will dine and discuss plans for the coming year. Another evening, the professional women at the convention will meet at dinner. The professional woman's dinner arranged by Dr. Eliza Taylor Ransom, of Boston, during last year's Washington convention, was a great success, the guests including many of the best-known ministers, doctors and lawyers in the United States.

Mrs. Hutchison-Eighty-One Years Old-Uses No Other Tonic but Vinol and Recommends It to Friends.

Greenville, S.C.—"It is with pleasure I tell others of the great benefit I have derived from Vinol, for the past several years. I am 81 years old and I find Vinol gives me strength, a healthy appetite and overcomes nervous disorders. Vinol is the only tonic reconstructor I have used for several years. I have recommended it to a great many of my friends and it has always proved satisfactory." - Mrs. M. A. HUTCHISON, Greenville, S. C.

Such cases as the above are constantly coming to our attention. If people in this vicinity only realized how Vinol invigorates old people we would not be able to supply the demand.

It is the tissue building, curative elements of the cod's livers, aided by the blood making strengthening properties of tonic iron contained in Vinol, that makes it so successful in building up strength for old people, delicate children and for all run-down conditions. Vinol is also a most successful remedy for chronic coughs, colds and bronchitis. If it fails to benefit any one who tries it we return your money.
